Note: Water rates for customers outside the city limits are calculated in the same manner as rates for customers within the city limits; however, a multiplier of 1.25 shall be applied to the cost components listed above.

City of Huntsville**Schedule of Fees and Charges**

Fiscal Year 2009-2010

**Wastewater Services****Single Family/Jointly Metered Residential****Ordinance**

First 2,000 gallons	\$13 per month
Over 2,000 gallons	\$4.87 per thousand gallons

Note: Each individually metered residential dwelling unit shall be charged a monthly wastewater service charge and a volume charge based upon the average amount of water consumed during the months of November, December, January, and February of each year, rounded to the nearest 100 gallons. Customers moving onto an existing, or newly constructed, single family residential unit shall be billed for sewer at eighty percent (80%) of current monthly consumption up to a maximum monthly amount for 10,000 gallons until the winter month history is established.

Commercial/Institutional Users**Ordinance**

First 2,000 gallons	\$15 per month
Over 2,000 gallons	\$4.87 per thousand gallons

Note: Residential customers not connected to the waterworks system of the city shall be billed monthly by the city for wastewater services at a calculated rate based on the average residential water consumption of sixty-eight hundred (6,800) gallons (\$38.38), or at a rate based on the average water consumed during the months of November, December, January and February of each fiscal year from the billing records of a special water district. Commercial customers shall be billed at a rate that is consistent with the regular wastewater charge of similar type businesses, premises or users receiving service from the city. The utility office supervisor shall recommend for approval such service charge and conditions as deemed appropriate to the Finance Committee of the City Council and the Finance Committee shall approve the same.

Septic Waste Disposal Fee

Septic Waste Receiving Station	\$0.06 per gallon
--------------------------------	-------------------

Note: A pilot study was conducted in order to determine the feasibility of a hauled septic waste receiving station from October 1, 2007 to January 1, 2008. The fee was approved February 5, 2008 to be reviewed in the budget process.
